

CAPRI & POSITANO TOUR

Select your preferred departure port and set sail for Capri and Positano, two of the most enchanting destinations in the world.

Departure options include: Sorrento, Piano di Sorrento, Seiano, Massa Lubrense, Capri, Positano, Nerano, Praiano, Amalfi, or other locations upon request.

Experience a day of serenity and adventure, expertly guided by our skilled skippers. Your journey begins with a comprehensive tour around Capri, revealing its most iconic sights. Highlights include the majestic Faraglioni Rocks, where we aim to navigate through the arch for breathtaking photo opportunities, as well as the Green, White, and Blue Grottoes, the Natural Arch, and the Scugnizzo Statue.

Along the way, admire the charming Marina Piccola, the Punta Carena Lighthouse, and the bustling Marina Grande. Enjoy multiple stops for swimming, snorkeling, or simply unwinding with an aperitif in hand, surrounded by the crystal-clear waters.

For lunch, choose from a selection of authentic local restaurants along the island's coast, with our skippers ready to recommend the finest culinary experiences. Afterward, you may explore the island at your own pace, enjoying a few hours onshore.

If you prefer not to disembark after lunch, the tour will continue along the stunning coastal routes, with additional opportunities to swim and relax. While you're onshore, your skipper will remain on board, ready to continue the journey upon your return.

Discover the Magic of Positano

Next, you'll visit Positano, the most famous town on the Amalfi Coast, also known as the "vertical village" for its dramatic cliffside setting. After a refreshing swim in the clear waters of the Amalfi Coast, you'll have the chance to explore the town's charming historic center, home to elegant boutiques, stylish seaside bars, and local artisan shops. Stroll through the narrow, colorful streets, visit historic churches, and capture postcard-perfect views of this world-renowned destination.
